Ms. Bonnie J. Burstow and
Mr. Donald Weitz
17 Yarmouth Road
Toronto, Ontario
M6G 1W7

Dear Ms. Burstow and Mr. Weitz:

It is my pleasure to advise you that the Canada Council, upon the recommendation of the selection committee of the Explorations Program is offering you a grant of \$7,000 for your project:

Breaking the Silence

If you wish to accept the grant, please advise us accordingly, enclosing a revised budget, and we shall forward the first of two equal instalments. Should this lesser amount require you to alter the project, we would be willing to discuss the modifications you judge necessary for the satisfactory completion of your work.

We would ask you to please read carefully the enclosures which describe the conditions under which the grant has been awarded and how payments will be made. In particular, we draw your attention to the necessity of providing us with relevant receipts (or copies) of expenses when submitting your interim and final reports. It would also be very much appreciated if the Explorations assistance could be acknowledged in any publication or production made possible by the grant.

Should you need to discuss any aspect of your grant or if you encounter difficulties, please do not hesitate to contact Mr. Paul Savoie, the Explorations officer for Ontario, at the address below.

We wish you great success with your project and look forward to hearing from you in the near future.

Sincerely,

Helen Eriks
