Dear Shrink Resistant Contributor:

Once again, I'm pleased to send you a royalty cheque-- this time for 1990. Unfortunately, because of so few copies (250) sold, the cheque is much less than last year's. This will probably be your last cheque, because we expect very few sales this year. Any future royalty share would be virtually zero.

Nevertheless, Bonnie and I again thank you very much for your personal and original contribution and commitment to the book. At the very least, we should all congratulate ourselves on educating a lot of Canadians about psychiatric oppression and the antipsychiatry movement, and helping to empower many of our brothers and sisters.

Best wishes for a healthy and enjoyable summer.

Sincerely,

Don Weitz  
co-editor, Shrink Resistant

Enclosure: cheque.
